

THE DAILY BULLETIN.

SATURDAY EVE., JAN. 19, 1884.

ROSSER & MCCARTHY,
Publishers and Proprietors,
To WHOM ADDRESS ALL COMMUNICATIONS

We have no right to judge a man,
Until he's fairly tried;
Should we not like his company,
We know the world is wide.
Some may have faults—and who has not!
The old as well as young;
Perhaps we may for aught we know,
Have fifty to their one

Circuit Court adjourned this morning until Monday.

Mr. M. C. HUTCHINS, agent for Mrs. Willa Fyffe, sold to Edward Cuntsee, a house and lot in Chester for \$800 cash.

A DESPATCH was received this morning announcing the death, at Lexington, of Mrs. M. E. Thomas. Notice of the funeral will be given.

There will be preaching at Shannon Church next Sunday by Rev. W. W. Spates, the pastor, who has returned from Missouri. Everybody is invited.

In the Circuit Court, Friday, John Sims was convicted of wilfully and maliciously cutting and wounding another with intent to kill. His punishment was fixed at one year's confinement in the penitentiary.

One day this week Mr. Quincy Adamson, of Brown County, O., was killed by the fall of a small foot bridge over Eagle Creek about nine miles from Ripley. His son and daughter who were with him at the time were seriously injured.

Persons who wish to join the wood-carving class should leave their names immediately at Phister's book store, where specimens of Miss Leitch's work may be seen. A number of ladies and gentlemen have already entered the class.

Says the Ripley Bee and Times: At a teachers' examination in Adams County the other day, the question was asked: "What distinguished foreigner assisted the Americans in the revolution?" One applicant handed in the answer, "God."

The annual meeting of the Odd Fellows' Funeral Aid Association will take place Monday night, January 21st, for the election of a Board of Directors for the ensuing year. Other important business will be before the Association. A full attendance is desired.

Mr. JAMES McMILLEN, a prominent coal merchant of Ripley, died suddenly this morning at seven o'clock. He was a popular and useful citizen and had relatives and many friends in this neighborhood. The funeral will take place on Monday afternoon at two o'clock.

ADJUTANT GENERAL J. B. CASTLEMAN and Col J. R. Allen were here last night and inspected the Emmet Rifles at their armory. The inspection was perfectly satisfactory and the boys are much gratified to learn from the inspecting officers that in point of drill and soldierly deportment their company ranks third in the State.

At a meeting of the officers of the Southern Presbyterian Church, held Thursday evening, the following building and soliciting committee was chosen: A. T. Cox, H. L. Newell, Dr. J. P. Phister, H. C. Morgan, H. E. Pogue, Samuel Daugherty and J. James Wood. The committee will go to work immediately and raise, as soon as possible, the balance of money needed for the erection of a house of worship on the lot on Third street lately bought by the church.

Death of Mrs. Margaret McClanahan.
Mrs. Margaret McClanahan, widow of the late Frank McClanahan, died at her residence on Short Street, at an early hour this morning at the advanced age of seventy-three years. She was born in this city, was the daughter of John Rudy, and resided here all of her life. She was a good woman, a kind and indulgent mother and a firm friend. Few of our citizens have passed away who will be more kindly remembered or more deeply regretted. She leaves seven children. Further notice of the funeral will be made.

Dr. H. K. Adamson has returned from Nashville with his brother, George, who is very sick.

Mrs. W. B. Mathews and her brother, Mr. J. I. Salisbury left last Monday morning for Illinois in response to a telegram announcing the dangerous illness of their father. Shortly after noon the same day a despatch was received bringing the intelligence of his death.

The Churches.
The usual services will be held at St. Patrick's Church to-morrow.

The well-doer will promptly place himself in church to-morrow morning and evening.

Services also to-morrow at 11 a. m. and 7 p. m. and during the ensuing week every evening.

The protracted meeting in the M. E. Church this week has been distinguished for its spiritual power and the deep religious interest awakened in the congregation. The plain practical but clear and forcible manner in which Brother Bosley preaches the gospel draws the people to the house of God, and many are becoming interested about their souls. Brother Bosley leaves to-day, but will return to-morrow and preach to-morrow night and next week.

Having connected myself with the boot and shoe firm of C. B. Clift & Co., I would be pleased to have my friends and the trade call at all, assuring them of fair dealing at all times. Respectfully,
Jan. 15, 1884. (2nd) E. W. DILLON.

The Danville Advocate says: The indications are that a large number of the farmers in this section of the State have caught the "white burley craze," and we may expect, the approaching season, to see a large quantity of land in Boyle and adjoining counties put in tobacco. We would drop a word of caution: Those who put out the plants should not overcrop themselves. In other words, not to cultivate a larger crop than they can securely house.

A very large business is done now in artificial or paste diamonds. They are made of a glass of special make as to hardness and refraction, but on much handling become scratched so as to lose much of the beautiful play of colors, so remarkable in the genuine, and which this never loses. Owing to the crystalline form of the pure article, it admits of being split into thin pieces, and these sheets are taken and used as a veneering on the facets of the glass body, giving an imitation that does not lose its luster.

Deal in Kentucky Central.

Cincinnati Post, January 17th.
Briggs Cunningham, recently promoted from the Vice Presidency to the Presidency of the Kentucky Central, has stepped down and out, and the reins of Government, so far as the minority stockholders are concerned, turned over to E. L. Harper the iron man. In the transaction Mr. Cunningham transferred \$100,000 stock to Mr. Harper for property valued at between \$25,000 to \$50,000, although stock of K. C. sold yesterday at 73 on the market. In addition to this Mr. Harper secured yesterday \$400,000 worth of stock of Mr. Cunningham at 25 cents on the dollar, receiving \$100,000 worth of stock in the Swift Iron and Steel Company therefor.

Physicians recommend Wills' World Worm Candy because they know its contents are the best known remedies for worms and they rely on its effects. They prescribe it regularly for children who cannot take the usual nauseous compounds that have been used as vermifuges.

It is wise to provide against emergencies that are liable to arise in every family. A cold may be a dangerous thing or not, depending upon the means at hand to combat it. In sudden attacks of cold, croup, asthma, etc., Ayer's Cherry Pectoral will prove the quickest and most effective cure, and your best friend.

inclose pearly teeth, and exhale fragrance when opened. If this double charm were wanting, they would lack their main attraction and probably remain unloved. Sordodont will secure it. Discoloration of the teeth, unhealthiness of the gums, and a breath which causes repugnance, are completely remedied by this incomparable beautifier and antiseptic of the teeth, which is as pleasant to taste and smell as it is reliable in its action.

An Undoubted Blessings

About thirty years ago a prominent physician by the name of Dr. William Hall discovered, or produced after long experimental research, a remedy for diseases of the throat, chest and lungs, which was of such wonderful efficacy that it soon gained a wide reputation in this country. The name of the medicine is Dr. William Hall's Balsam for the lungs, and may be safely relied on as a speedy and positive cure for coughs, colds, sore throat, etc. eod&w
